No. 539-01/46 *dated* 16th February 194 6.

Sir,

Sub. Industries - Sericulture - Government Silk Filatures, Kollegal - Yard lighting - improvements - sanction of expdnditure - requesting.

The General Manager, Government Silk Filatures
Kollegal

ENCLOSURES.....

SPARE COPIES.....

Kollegal reports that the yard lighting at the Government Silk Filatures, Kollegal is unsatisfactory and requires improvement. As it is, a good portion of the yard remains until, since lights are provided only along the main road and at two or three other places. To prevent cases of theft and house breaking, it is necessary to improve the lighting arrangements so that the sentries on duty may be able to see easily what is happening all round. I enclose herewith an estimate for s.800/- for providing additional lights at the Government Silk Filatures and request that Government may be pleased to accord sanction for the incurring of an expenditure of s.800/- (Rupees eight hundred only) for the purpose.

The expenditure can be met from out of the Budget provision made for other items of capital expenditure of the Government Silk Filatures, units in this financial year. I request early orders.

for Director of Industries and Commerce.
